### MADLIB

In my future world, the sky will be \_\_\_\_\_ (*favorite colors*).

Every person will hear \_\_\_\_\_ (*favorite band or song*)  
and happily hum along.

The air would smell like \_\_\_\_\_ (*favorite smell*).

Our hearts would \_\_\_\_\_ (*favorite activity*) and grow.

What You eat would taste like \_\_\_\_\_ (*favorite food*) and make.

You feel \_\_\_\_\_ (*favorite emotion*).

Everyone will have enough \_\_\_\_\_ (*favorite thing*),  
in fact they'll have \_\_\_\_\_ (*favorite #*).

We'd see \_\_\_\_\_ (*favorite part of nature*) every day  
and \_\_\_\_\_ (*favorite action*) for our biggest dreams!

So I give to You, this mental picture I drew... With hope that you'll see all  
that we can do. Because it's coming true in OUR future world.
